MAJOR INVESTMENT COMING TO CHINGFORD MOUNT

How the new shop-fronts and restored art deco features could look

Your Conservative Councillors have helped secure £170,000 of funding for improvements to Albert Crescent which will see shop-fronts refurbished and the art deco barometer & clock restored to their former 1920's glory. Also on the cards is a new, more open public space - which could be used for a Farmers' Market - and improved security measures.

The Christmas tree purchased with Ward Forum funds will be retained and extra trees will be planted which will be lit all year round. All of these new & restored features will join the Civilian War Memorial, a Conservative initiative which finally came to fruition last year.

We want to build on our earlier success of 15 minute free parking and hope these improvements will make shopping and doing business at Chingford Mount much more attractive and enjoyable.

Chingford Police Station is **SAVED**

Your Conservative Councillors listened to the concerns of residents and fought hard to retain Chingford as the main 24/7 front counter for Waltham Forest and to keep it operating as a major deployment base in the Borough.

In addition, we have persuaded the Borough Commander to keep our local safer neighbourhood police team based at the Paradox Centre in Ching Way on the Chingford Hall estate. This is the base for both Larkswood and Valley ward SNTs and sits right at the heart of the area covered by those teams.

As part of wider changes to policing in Waltham Forest, London Mayor, Boris Johnson's plans will see an extra **119** officers deployed in the Borough, **91** of which will be part of Neighbourhood Teams.

WALTHAMSTOW STADIUM DEVELOPMENT – UPDATE

Your Conservative Councillors visited L&Q in April to get an update on their proposals for the development of the former Walthamstow Greyhound Stadium.

Various surveys will be done in the spring, with any hazardous material removed by specialist contractors. The non-listed parts of the site will then be demolished, with development of the first phase along the north side of the site commencing in autumn.

Like you, we are disappointed that the scheme is going ahead, but we're determined that as it is built out, L&Q keep everybody informed of what is happening. If you have any specific concerns, please do let us know so we can contact L&Q on your behalf.
